

The Santa Clara Valley Chapter of the Construction Specifications Institute is celebrating our 50<sup>th</sup> Anniversary March 20, 2010, and your company is invited to join in our efforts in putting together a very elegant and special evening for our Chapter. This distinguished event will be a celebration attended by current and past chapter members, and friends from the leading Bay Area architectural, construction and specifications community.

The focus of the celebration will be our members both professional and industry and their contribution to our chapter's continued success through the first fifty years. Your company as a 50<sup>th</sup> Celebration Industry Partner will continue the historic support that this Chapter has always depended upon and deeply appreciates.

Commemorative wine glasses, historic commemorative booklet, a power point presentation with historic photographs and videos, and other related items will be produced to tell the chapter's historic story, which will also reflect the memories of our more seasoned members.

The different categories for Industry Partners with prices and options are listed below.

**Platinum Partner:** \$1,000 (includes 1 dinner, full page advertisement in the commemorative booklet, introduction at the evening's event, recognition on the event poster and table menu cards, and one year ½ page advertisements in the chapter's newsletter)

**Gold Partner:** \$800 (includes 1/2 page advertisement in the commemorative booklet, introduction at the evening's event, recognition on the event poster and table menu cards, and one year 1/4 page advertisement in the chapter's newsletter)
